

Asheville Pro Kitchen

Weekly rotating menus. Local, non-GMO, no hormones or antibiotics ever.

About Dustin Orofino:

Welcome to Asheville Pro Kitchen! I started APK out of my passion for good food. I want to share my love of cooking and creating new dishes with others and to inspire and teach people how to eat healthy and get people as excited as I am about my next meal. We flip your favorite comfort foods into healthy meals!

More about Asheville Pro Kitchen:

- Weekly rotating menus
- Paleo, vegetarian, gluten-free and Keto options
- Family inspired recipes
- All meals are fully cooked and ready-to-eat
- Meals are wholesome and balanced
- Ingredients are sourced locally and prepared in a health department regulated kitchen
- All meals are non-GMO, as well as hormone and antibiotic free
- Can be delivered to your home or office—go in with coworkers on the number of meals for greater discounts!
- All delivery materials (coolers, freezer packs) are reusable, and APK will pick up your empty materials

Pricing (before 10% WCMS member discount):

Average price per meal is \$13.75. Minimum order is 4 meals.

How to subscribe as a WCMS member:

- 1) Contact Dustin (ashevilleprokitchen@gmail.com) for your WCMS discount code.
- 2) Go to the APK website and choose the meal plan you want.
- 2) Create your profile.
- 3) Choose your delivery day(s) and location.

Delivery area:

north to Weaverville, south to Hendersonville, east to Black Mountain and west to Candler
